Autumn 2006

Autumn Glory is Here!

Have you noticed the sudden change in the air? Or even the sudden peace around the house! It must be that Autumn time has arrived and a new term at school has started!

What a tremendous Summertime we had down on the farm, so much fun and laughter, so many cheery faces. A big thank you must go to John & Jay our entertainers for the summer, they had us all in stitches! Not forgetting of course the African dancers, Costa, Josh & Alastair for Africa week!

It's hard to believe we're now at the end of our 2006 season and another year is passing quickly.

Autumn is a beautiful time of year and this year there is an abundance of fruit and berries in the trees and hedgerows, the warm autumnal colours are a sight to see around this pretty part of Cheshire, and with the sun shining there isn't a better place to be.

Country & Western Evening

We had a wonderful event back in August, a good crowd of 150 people of all ages arrived by Tractor & Trailer & danced the night away!

The food was excellent and a good time was had by all. There were lots of competitions like rolling a giant bale of straw & apple bobbing. By the end of the night we had raised lots of money for the Children's Adventure Farm Trust too.

**Mark, Anna, Sam and Costa
looking the part!**

For those of you who missed the night we will certainly be repeating it again next year.

Christmas is Coming!

Christmas preparations are now well under way with decorations going up all around the farm and there is a beautiful nativity scene where the children take part, telling the story of the birth of Jesus. There will also be a cosy grotto set up for Santa. This year we're having a marquee put up to extend our tea room space, therefore more chance for you to taste our Christmas fayre!

Christmas Entertainment:

Sat 2nd: Weaverham High School Choir

Sat 9th: Antrobus Primary School Choir

Sat 16th: Brereton Hand Bell Ringers

Sun 17th: Grover Puppets

Sat 23rd: Bostock Brass Band

We know we'll give you a night to remember down on the farm!

It was a lovely sunny morning, there was an air of anticipation as this was the first time she was going to compete at an agricultural show. Sam wasted no time on arrival & started brush-

ing & cleaning her so she was shiny. At last it was time for them to enter the show ring to be judged. Buttercup was given a beautiful rosette saying she had got a 2nd

They'll be back again next year, look out for the Hereford family when you visit the farm next time.

Stockley Farm is branching out into holding corporate events at the farm. A recent event provided a great family day out for the company which included lamb feeding and a wonderful barbeque feast.

If you would like a unique corporate event please contact us!

When Nettie arrived at the farm we had never seen such a cute little pig, so pretty with her red & black colouring & a grunt

to die for! She has settled extremely well into to her new home now, & has had lots of extra cuddles. Her favourite food is sliced apple & of course her new best friend is Neville the Kune Kune pig, who has been teaching her some of his tricks, good & bad!!

Look out for Nettie next time you're at the farm.

A season ticket allows the holder to visit the farm any time during our 2007 season and receive early notice about

our events, such as
► our Country and Western Evening. For both children and adults a season ticket allows unlimited access to the farm during public opening times without the worry of cost.
